Dear Resident,

Major Works planned for John Aird Court (Project Y107) – Post-meeting update

We recently held update meetings for residents in relation to the planned major works to the estate.

Please find enclosed a full summary of the meeting, including questions and answers given during both sessions.

Copies of the slides and the meeting summary are also available to view on our website: www.westminster.gov.uk/john-aird-court-refurbishment-works-project-y107/documents

Our contractor, Axis Europe is now working on developing the plans in more detail. The next key step will be to agree the window proposal to submit to Westminster's planning department. We will consult with all residents on our proposal before submission.
