**Ref: Major Works T156**

Dear Resident,

**Planned major works to the Mozart Estate (project T156): Notice of drone flight surveys**

To aid our contractors planning of the works to your estate, aerial surveys to the roofs and external parts of the blocks will be carried out. These will be done via drone surveying. This will help to give us a clear picture of the condition of your building, without the need to hire costly scaffolding to access parts of the building.

The surveys will start on **Monday 17 April** and will take a couple of days to complete to all blocks.

**How will this affect me?**

The drone will be taking external photographs of the roof and external areas of each block only. Residents can shut their blinds or curtains if they prefer. Please note that this work is weather dependant, so the start date may be delayed a day or two if there is poor weather. We would like to assure you that the aerial surveys will be closely monitored and will adhere to strict legislation. Your privacy will not be compromised.

**Who is doing the drone surveys?**

The company carrying out the surveys is 'From the Air' and the drone operator is John Senior. They will be conducting all the surveys on behalf of our major works contractor, Axis Europe. The photos taken during these surveys will only be used for the purpose of assisting their planning for the major works.

**Get in touch**

If you have any questions regarding the surveys, please contact the Resident Advocacy Team by:

- Calling Westminster City Council Housing on **0800 358 3783** (freephone) - ask to speak to Vicky Simpson in the Resident Advocacy Team.

City of Westminster

- Emailing [residentadvocates@westminster.gov.uk](mailto:residentadvocates@westminster.gov.uk), please quote reference **'project T156'**.

Yours sincerely

A handwritten signature in black ink, appearing to read 'V Simpson'.
