Dear Residents,

**RE - Planned major works X254 Next Meeting**

Firstly thank you to all residents that have been attending the recent meetings regarding planned major works at Hall and Braithwaite Towers.

Confirmation that we will have attendance from the fire safety team again at the next meeting so it would be good if more residents could attend.

The next meeting is scheduled for **Monday 3<sup>rd</sup> June 2024 at 5.30pm Braithwaite Meeting Room.**

Looking forward to seeing you all at the Braithwaite meeting room.

Best Regards
