Dear Residents

Hallfield Estate X115 – Questions and Answers ahead of the drop-in session on 4 November 2024

Please find a Question and Answers sheet attached to this letter in advance of the drop in session we have organised for residents on Monday 4 November.

The drop in session has been organised to update residents on the additional roof replacement works and the Building Safety Regulator who now need to sign off works to taller buildings like Winchester House.

Many residents have raised concerns and questions regarding both of these issues and for this reason Westminster City Council have arranged a drop in for residents to take place at Porchester Hall on Monday 4 November in the small hall between 5pm and 8pm for residents living in Winchester, Worcester and Lynton House. We do hope to see you all there.

In the event that you cannot make this session, we still have the regular coffee mornings and evening drop in where you can ask questions to a member of the Axis Team or Diane Volpi WCC Resident Advocate.

Coffee Mornings and Evening Drop In

The coffee mornings are still taking place and the next one is scheduled for Monday 11 November 11.00am at Pickering Hall alternatively the next evening drop in will be on the Wednesday 6 November between 5pm and 7pm at Pickering Hall.
