Dear Resident

Major Works Project AG112 Hide Tower Roof Replacement, and Decorations
Introduction Meeting on Wednesday 13 November 2024.

I am pleased to inform you that we, Westminster City Council (WCC) are now going to carry out a second major works project to replace the roof and internal decorations to the communal areas at Hide Tower. The works listed under this project includes:

- Roof replacement works.
- Repair/replacement of electrical meter cupboard doors in the south staircase.
- Partial concrete repairs to the north staircase.

These works will be carried out at the same time as works to the external works detailed under major works project AC116 Hide Tower and will be carried out by the same contractor Axis Europe.

We appreciate that these works are more intrusive and may cause disruptions as our contractor will be working in the internal communal areas.

We would like to hear from you and discuss the project in an Introductory meeting at Hide Tower on **Wednesday 13 November 2024 at 6:15pm to 7:15pm.**

We look forward to seeing you at the meeting. In the meantime, if you have any queries then please contact by email at: rkhan@westminster.gov.uk and quote the project reference **AG112 Hide Tower Roof Replacement, and Decorations.**

Yours sincerely
