

## Meet the Team

---

### Wayne – Resident Liaison Officer – 07386969153

Wayne will liaise between the site team and the residents during the works to minimise disruption, and keep residents informed of progress.

Wayne will be the first point of contact. Should Wayne be on another call, please leave a Message with your contact details and he will call you back as soon as possible.

---

### Sameer – Apprentice Site Manager

Responsible for the efficient management of the day to day works, maintaining a high standard of quality and finish.

Should Sameer be on another call, please leave a message with your contact details and he will call you back as soon as possible.

---

### Maria – Project Administrator – 01322 612 320

Maria will investigate and resolve any issues relating to work conducted by United Living. Maria will be contactable on **01322 612 320**.

Should Maria be on another call, please leave a message with your contact details and Maria will call you back as soon as possible.

---

### Charlie – Project Manager

The efficient management of on- site construction activities, whilst maintaining high standards of quality and guaranteeing compliance with all Health and Safety Regulations, ensuring a safe working environment.

---

### Madalin - Contracts Manager

To ensure that the project is managed efficiently whilst maintaining high standards of quality.

---

**For Out of Hours Emergencies** relating to our work, such as a major water leak, a dangerous electrical fault, or heating failure, please call: **01322 616612**
