Dear Resident

Wharncliffe Gardens major works update (project AA102)

Thank you to those residents that were able to make the major works meeting held in February.

At the meeting we gave an overview of the works planned and explained the next stages of the project before the works starts onsite towards the end of this year.

For the benefit of all residents, I am enclosing a question and answer sheet of the key questions that were raised at the meeting and our answers to them.

As our plans progress for these works, we will arrange further meetings for residents to keep you updated. You can also refer to our website at any time as this will be regularly updated with all relevant information regarding the works: www.cwh.org.uk/AA102

If you have any questions about the planned works that are not covered in the question and answer sheet, please contact me and I will be happy to assist.

You can call our customer services team and ask to speak to Marie Baker in the Property Services Team, or you can email me directly at mbaker@cwh.org.uk.

Yours sincerely

Marie Baker
