Dear

Wharncliffe Gardens refurbishment works update (contract R103).

Thank you for taking the time to meet with us on Thursday 26 June.

We invited the lessee nominated contractor to complete a pre-qualifying questionnaire and found that the contractor qualified to submit a tender.

In view of this we are working with Westminster City Council to agree a way forward and we may need to re-tender the contract.

I am sorry this means that there is going to be a delay and the works will not start until early 2015.

Thank you for your help and support with this. I will continue to keep you updated. Please let me know if you have any questions.

Also we are planning a Cheese, wine and juice evening on Thursday 23 October. We hope you can join us.

Many thanks
