**Ref: Project AC111**

**Sullivan House roof replacement works (project AC111)**

Thank you to those residents that were able to make the online session on Wednesday 16 June 2021.

At the session we gave an overview of the works planned and explained the next stages before the work starts onsite in Summer 2022. For the benefit of all residents, I am enclosing a question-and-answer sheet of the key questions that were raised at the session and our answers to these.

As our plans progress for these works, we will arrange further meetings for residents to keep you informed. You can also refer to our website at any time as this will be regularly updated with all relevant information regarding the works:  
[www.westminster.gov.uk/sullivan-house-roof-replacement-project-ac111](http://www.westminster.gov.uk/sullivan-house-roof-replacement-project-ac111).

If you have any questions about the planned works that are not covered in the question-and-answer sheet, please contact me and I will be happy to assist.

You can call our customer services team on 0800 358 3783 and ask to speak to Debbie Clancey in the Property Services Team, or you can email me directly at [dclancey@westminster.gov.uk](mailto:dclancey@westminster.gov.uk).

Yours sincerely

Debbie Clancey
