Neighbourhood area designation

Notice is hereby given that Westminster City Council, through a decision made on 4 September 2013 by its Cabinet Member for The Built Environment, has designated the Church Street neighbourhood area as applied for. The boundary of the area is shown edged red on the map below.

Reasons for decision:

The designated neighbourhood area reflects the area recognised as Church Street with clearly defined boundaries. No objections were received to the proposed neighbourhood area. Designation as a neighbourhood business area is not considered to be applicable in this instance due to the predominance of residential uses in the area.
