Agenda	3
Day 3 Testers	4

# Day 3: Ideation

Saturday 24 June (9:15am – 4:30pm)

Participants will deliberate on all evidence and information received from sessions 1 and 2, formulate ideas that will help inform the development of their recommendations. External experts and council officers will be available for participants to ask questions and test their ideas.

Purpose of the session:

1. To develop a list of ideas for recommendations based on the understanding of barriers and opportunities for climate action set out in Days 1 and 2.
2. To evolve a set of prototype recommendations for testing with a panel of external experts
3. To collectively agree the set of prototype recommendations to take forward to Day 4.

## Agenda

Item	Detail
<i>Registration &amp; Breakfast (9:15am)</i>
