New
Service

Neighbourhood food waste recycling service

We are continuing to expand our food waste recycling service across the City of Westminster during early 2023 and we are offering this service to properties that have limited space for outdoor food bins. Simply sign up via the online form, we will then deliver a silver kitchen bin and a roll of liners. You will then need to take your food waste to your nearest neighbourhood food waste recycling bin. By using this service you will be able to recycle all your food waste including plate scrapings, meat and bones and coffee grounds.

Silver kitchen bin

Roll of liners

Food waste bin

Please contact the Recycling Team using the details below for further information, to find your nearest bin and sign up for the service.
