Dear Ms McQueen

Application for a Neighbourhood Area

We would like to apply for a Neighbourhood Area under the aegis of the Localism Bill.

Attached is the map outlining the area designated, which corresponds to the area Paddington Waterways & Maida Vale Society has responsibility for, as a Westminster City Council recognised amenity society.

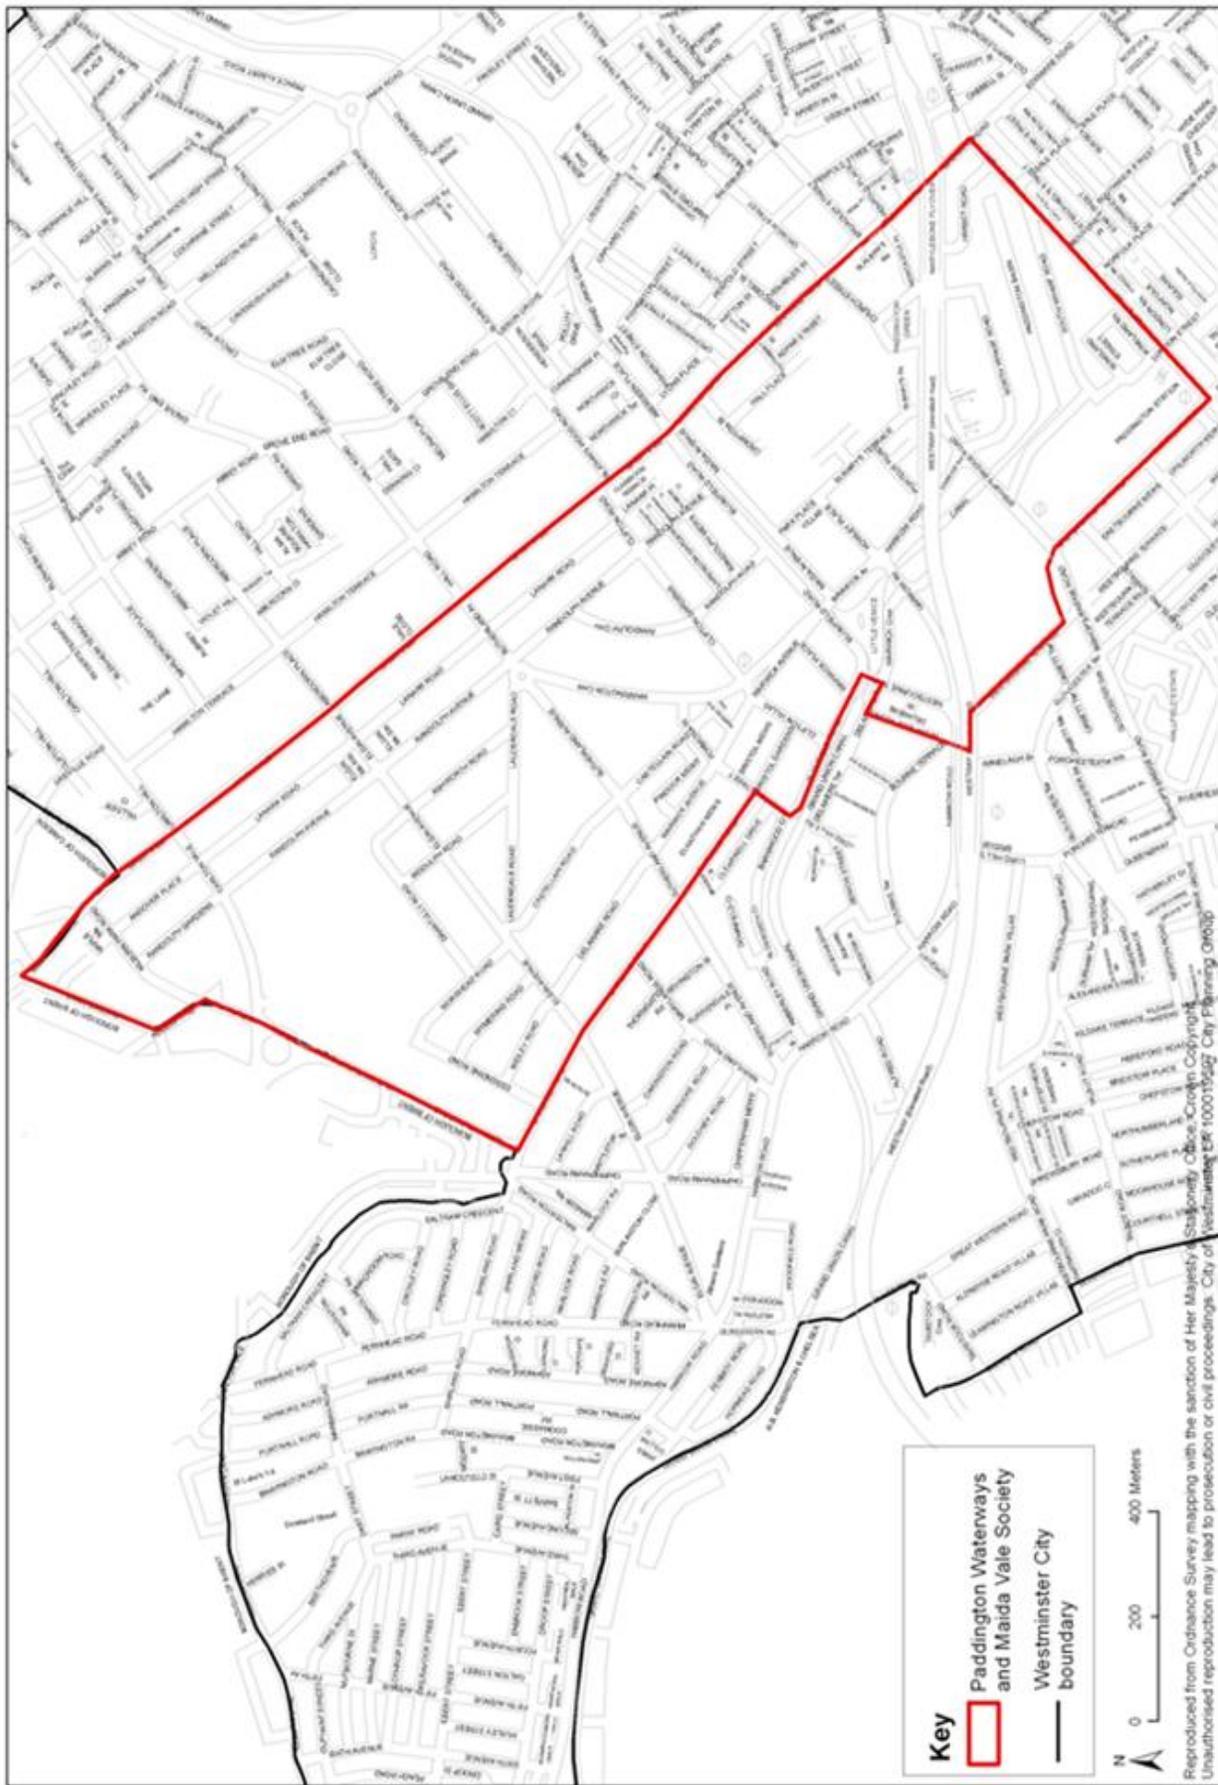

The Society has been officially involved with this specific area for many years, having been founded in the 1960's, and has been very active in planning matters within its borders, crossing this to reinforce representation where it was deemed necessary and working with other groups of interested parties. We have members throughout the area.

We believe that we are capable of being designated as a neighbourhood forum on the grounds of our past performance, open membership to residents and businesses, and a proven responsible attitude towards representation, consultation and governance.

Yours sincerely

Mrs Elizabeth Virgo
