As a resident of Maida Hill [REDACTED] I would like to submit the following comments:

- 1) roof terraces: create a lot of noise for neighbouring residents esp during evening and nighttime use. Create a feeling of being overlooked. Rubbish and cigarettes get dropped in to neighbouring gardens
- 2) rain gardens: yes please! Please encourage residents to remove concrete from their front and back gardens to create more soak ways. This also reduces damp in Victorian properties!!

Thank you,

Anisha
