

Parking information

from Westminster City Council

City of Westminster

Dear resident,

Notting Hill Carnival is fast approaching, and Westminster City Council remains committed to ensuring that the event runs smoothly, and our residents' lives are disrupted as little as possible. To do that, we need to make some changes to day-to-day driving and parking in the area.

What residents need to know:

- Most roads within the Carnival area will be closed from 6am on Sunday 25 August until 6am on Tuesday 27 August. More information regarding road closures can be found on the Westminster City Council Carnival webpages: www.westminster.gov.uk/notting-hill-carnival
- Parking bay suspensions will begin on some streets from Wednesday 21 August. Please refer to on-street yellow signage. The majority of parking bay suspensions across the Carnival area will commence from the morning of Sunday 25 August. The map overleaf highlights which roads will be affected by parking bay suspensions, but please check your local on-street signs.
- Unfortunately, due to the lack of parking nearby, the council will not be able to provide guaranteed alternative on-street parking.
- Parking on Harrow Road and Kilburn Lane will be enforced against to keep the bus lanes running and maintain access.
- While some electric charging bays will be suspended from Wednesday 21 August, all electric charging bays within the footprint will be deactivated by the morning of Saturday 24 August. They will be reactivated in time for your return on Tuesday morning.
- Hours of parking control within zones B/C1, C1 and C2 for residents with permits will be extended.

Parking on the following streets will be affected:
