Dear Sir,

I find the Plan very deficient as it does not aim for carbon neutrality.

I recommend the adoption of the Centre for Alternative Technology's Carbon Zero Britain report and plan. Otherwise Britain will not be able to become carbon zero.

Please see: <https://www.climateemergency.uk/wp-content/uploads/2021/04/Checklist-for-Council-Plans.pdf> and <https://cat.org.uk/info-resources/zero-carbon-britain/research-reports/zero-carbon-britain-rising-to-the-climate-emergency/>

Yours sincerely,

Ian Benson
