Case Study: School Air Quality Audit Recommendations

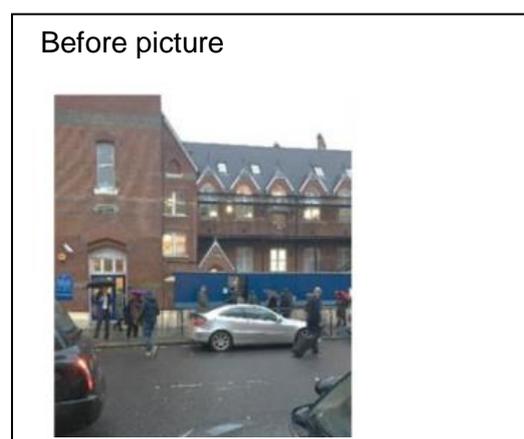

School: St Peter's Eaton Square CE Primary School

Audit Conducted: 13/12/17

What was done:

- 5. School Keep Clear road markings in place now in front of the school.
- 6. Anti-idling signage in place.
- 16. Green infrastructure. Ivy installed all around school perimeter fence.
- 19. Air filtration installed in school hall space.
- 23. Healthy Schools silver award obtained. We now need to move towards a Gold award and this may mean renewing/updating our Bronze.
