Dear Resident,

**York Mansions Major Works (Project AB107): Door Design Ballot**

We will be replacing some flat entrance doors as part of the upcoming major works. As this will be your front door, we would like residents to tell us which door they prefer. The colour and door design most voted for will be the one that will aim to install to the necessary flats.

It is important to note that doors at opposing ends of each floor will not have their front door replaced if they are a council tenant. Leaseholders will receive an "Opt In" form that will be sent separately when we know which option most residents prefer.

**Door Specifications:**

- 54mm Solid Timber Core Door leaf
- Secured by design
- Hung in a 58 x 91mm Solid Hardwood Frame. Incorporating: a) a continuous intumescent smoke seal with draught strip b) metal security keeps
- High Security 3-point locking system
- With or without Letterplates
- Concealed or Overhead Closers
- Fully Factory Finished

**How to cast your vote:**
